Shaun Johnson began his career with the nationally known vocal group, Tonic Sol-fa. This quartet has sold nearly two million albums independently and has been featured in Newsweek and on the Today Show. Shaun is still an active member of Tonic Sol-fa!

In 2016, Shaun put together a group featuring some of the best instrumentalists and arrangers in the Midwest-- guys who have toured with numerous luminaries, who are Music Educators of the Year and who are integral members of collegiate jazz faculties. His vision was to create a contemporary big band sound with a pop flair, honoring legends like Frank Sinatra, with a nod to Michael Bublé, while giving the music his own twist - performing songs ranging from the “Spiderman Theme” to increasingly popular original work.
