“Everything but a mint on the pillow.”

In 2013, The Abbey of The Hills began a transition from a place made holy by Benedictine monks, to a new definition of holiness by a group of faithful lay people, committed oblates, and many volunteers. The new stewards are committed to maintenance of the holy traditions, and the property. Through the generosity of patrons, the Adopt-A-Room program will transform and modernize rooms to ensure that visitors have a warm and welcoming place to lay their heads.

Transform this...
